Kororo Public School

Dear Parents,

Week 4 Term 2, 21st May 2014

The children are busily practising for the upcoming Eisteddfod. We are sure that the performances will be first class. A huge thank you to the teachers involved, this is an extra that teachers use their own time to prepare for. If your child is in one of the choirs please ensure they have full school uniform for the performance. White socks for the girls: grey for the boys: green skirts for the girls: grey shorts for the boys. If your child does not have one of the school's new bottle green shirts could your child please let their choir teacher know so a loan can be arranged.

Over the course of the next few weeks students will begin Semester 1 assessments for our first reporting period. It is documented that good nutrition, or brain food, can give us energy and help us live longer, more satisfying lives. Also brain food can help children prepare students for test taking. If you know your child is going to be absent please notify the class teacher so alternative times can be organised for them to take their test.

This Friday at 12:20pm our Peer Support program will begin. The senior students will lead their group which will comprise of a mixture of students from Kindy to Year 5. The lessons are based on our Leader in Me (LIM) program. The Leader in Me program is about personal leadership.

It involves every student finding their strengths and using these to become a more effective person. The Leader in Me provides students with a set of values underpinned by skills which will help them to learn practical character and, life skills, leading to those positive choices. The 7 Habits are the road map to becoming a leader.

The habits are life skills that can be used on the playground, in sports, with friends, at school today, tomorrow, and in the future as adults. The Leader in Me and the 7 Habits will be taught in class time and reinforced during peer support lessons

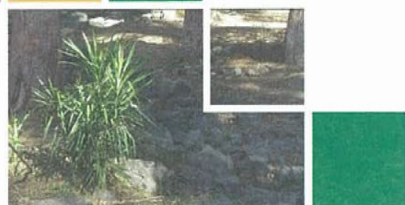

Have a wonderful and positive week!

Leanne Stacey and Carissa Attwood (Relieving PDP's)

District Cross Country

Last Friday, 69 students travelled to Woolgoolga to compete in the District Cross Country. It was a beautiful, sunny day which meant that as the day wore on, the temperature increased, making the run even more of a challenge. As usual our 'Kororo Kids' gave it their all and should be extremely proud of their efforts. It was wonderful to see so many parents there, not only supporting their own child, but cheering loudly for others running in the Kororo singlet. At the presentation ceremony Kororo proudly accepted the trophy for the best total pointscore and 22 students qualified to compete in the Zone Cross Country in Grafton on Friday.
