Dear Parents,

Week 6 Term 2, 4th June 2014

NATIONALLY CONSISTENT COLLECTION OF DATA ON SCHOOL STUDENTS WITH DISABILITY- 2014

All Australian governments have agreed to work together to implement a new Annual National Data Collection on students with a disability. This data collection is being phased in over a three year period. The governments agree that every child in any Australian school, regardless of his or her circumstances, has the right to a high quality and inclusive education that meets individual needs.

The definition of a disability as broadly defined by the Disability Discrimination Act of 1992 is the basis upon which the data collection is gathered. For a brief guide to the Act the link below is useful -

<http://www.humanrights.gov.au/brief-guide-disability-discrimination-act>

Schools are required to make reasonable adjustments for students where necessary to enable their access and participation. Adjustments may be made across any or all of the following - Planning, Teaching and Learning, Curriculum, Assessment, Reporting, Extra Curricular activities, Environment and Infrastructure and Resources. At a very simple level this adjustment may be as simple as gaining assistance from a Learning Support Officer in a small group at school.

Protecting the privacy and confidentiality of all children and their families is a key priority. Authorised staff at the school will manage the data collection to ensure confidential information is not disclosed. When data is reported at the school level by staff and parents, no individual student will be identified in the survey.

Please take a few minutes to read the information on the note included in this week's newsletter and return it **only if you do not want your child included in this data by the end Term 2, 2014**. If you have any questions or queries, please do not hesitate to contact Carissa Attwood, Leanne Stacey, Tanya Moss or Sue Mackay.

Sue Mackay and June O'Dell will both be returning next week after leave. We would like to thank parents for their support while they have been away. We have both enjoyed the experiences, challenges and responsibilities of being Deputies/Principals.

FROM THE OFFICE

We are all very excited to welcome back to our office Mrs Annette Campbell, our School Admin Manager, who is returning after a long absence to join us for 3 days a week.

We welcome Mrs Rosey Atwal as a new addition to our team and will be in training in the Finance Office (at this time) with Mrs Kelly.

Thank you for your support and understanding over the past few months with the "faces in the office" changing so often. We are all back on board and look forward to being part of your child's education.
