Kororo Public School

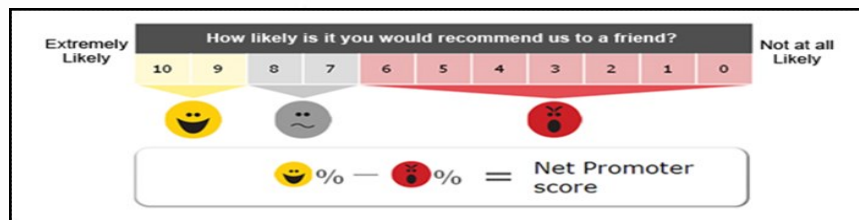

Week 8 Term 3, 3rd September 2014

Congratulations Stage 3 Showcase!

A huge 'well done' to the Stage 3 team of students and staff for their brilliant performances last Tuesday evening. The combination of talents from acting, singing, dancing, stage management, script writing...the list goes on....resulted in a production of the highest quality and entertainment level. Your school and the community are very proud of you! Terrific Work!

Dear Parents,

An integral part of our school review process each year involves ascertaining **parent satisfaction** with elements of the school's operations. The survey is a gathering of information and suggestions for future growth and development in the school covering a range of areas – grounds, communication, responsiveness etc. The survey can be accessed through the link below which will direct you to our Survey Monkey questionnaire. <https://www.surveymonkey.com/s/TPB77C5>

The last question in the survey around parent satisfaction and promotion, utilises the Net Promoter Index, a calculation we have used for four years. The graphic to the left is a visual representation of the scores calculation.

Anti Bullying Survey

If you have a few minutes to spare and would like to participate in our **annual anti bullying** review, please use the same process as above and use the link below - the responses to ten short questions will assist the school in our future work to ensure our school continues to be proactive in our work with anti bullying processes.

Thank you so much for giving your time to complete the surveys.

Sue Mackay
Principal

DEPUTY'S REPORT

ISS Award

Congratulations to Sue Reddy for her ISS Cleaning Services Award. This award is given to employees for outstanding contribution in the workplace. Sue Reddy or Miss Sue as the younger students call her has been working at Kororo Public School as head cleaner for eight and a half years. We nominated Sue for this award as a token of our appreciation for her hard work, commitment and caring attitude. Sue is a very valued member of our team.

Turning the Pages of Time

Last Tuesday Kororo students presented another wonderful musical production, 'Turning the Pages of Time'. This time it was our year 5 and 6 students who played to a packed house. The audience were taken on a journey from the 1950s to the year 2000 through the popular songs and dances of the different eras. Rock' n roll, protest songs of the 60s, the Bee Gees and Alice Cooper were all featured along with Abba, the Spice Girls and Michael Jackson in his epic song Thriller.

Over a hundred and fifty students took on acting, singing, dancing and audio production roles. This production showcased the creative and performing arts programmes at our school. A special thankyou to the parents on the costuming committee who did an amazing job and also the staff who worked so hard with the students. This original production was written by two staff members, Mrs Gough and Mrs Tristram.

Of course we can't forget the most important people; the students themselves who gave it their very best. This is something they will always remember.
