During this ceremony Year 6 pledge to uphold the values of Kororo Public School and be role models for all students as leaders of our school. ### ***Put 4<sup>th</sup> April in your diary!***

On this day a Senior Constable, who deals with issues around social media and children, will be conducting information sessions. The Stage 3 students will be addressed at 2pm and ALL parents, regardless of the age of your child(ren), are urged to attend the evening session at 6pm. She will discuss with students and parents safety around social media sites and cyber bullying. The information she presents is current and there is an opportunity for questions. This issue is serious and we all need to be informed about what children can access and how to best restrict and protect them.

It is very important that we work together as a community to keep our students safe and informed about the ever changing digital world. Already this year staff have had to address issues where students, outside school hours, have been using social media inappropriately.

Last week it was brought to our attention that Year 4 students are using the apps that are restricted to ages 13+ and beyond. Last year when dealing with issues around social media at school we contacted the Police and the e-safety commissioner for advice. First and foremost the Police and the e-safety Commissioner were very concerned that parents allow their children to access such sites, particularly when the age limit for these sites are above the student's age.

If your child has an issue with social media sites you, as a parent/guardian need to follow these steps:

- ◆ Take a screen shot (as evidence)
- ◆ Report to the site directly (e.g. Instagram, Face book, Snap chat)
- ◆ Report to the eSafety Commissioner who will advise you of the necessary steps to take.
- ◆ <https://www.esafety.gov.au/h>

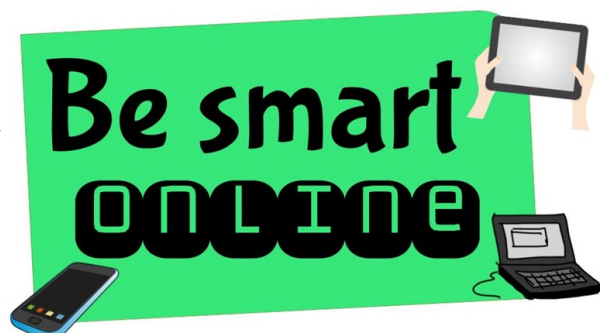

The link below will take you to the parent section of the eSafety Commissioner's web site, which provides some fantastic resources for parents:

<https://www.esafety.gov.au/education-resources/iparent>

The eSafety Commission is an Australian initiative to assist in managing bullying through social media.

*We implore parents to be vigilant in monitoring what apps and sites your children are using at home.*

*We suggest that you remove all social media apps from your children's devices and close/deactivate any social media accounts.*

## IMPORTANT UNIFORM SHOP ANNOUNCEMENT

## Starworkers

Unfortunately a recent batch of Kororo School shirts may have failed stitching under the arms as a result of a machine fault. These shirts were sold in the uniform shop between November 2018 and Feb 2019.

Our local supplier will repair this stitching fault free of charge. Please bring any faulty shirts in a named bag (Child's Name and Class) to the Uniform Shop (Mon, Wed or Fri) or the School Office.

Our supplier will be collecting the shirts before school on Tuesdays and Thursdays with same day repair and return. Your child may wear the Kororo school shirt or the yellow sport shirt if needed until shirts are repaired.

The Kororo P&C are proud to support local businesses. We continue to use the same Coffs Harbour manufacturer for our school shirts and we are working with the supplier to ensure the expected quality standard for our school.

## CANTEEN NEWS

Linda, our canteen manager, has asked if anyone would be available to help out in the canteen on Thursdays or Fridays.

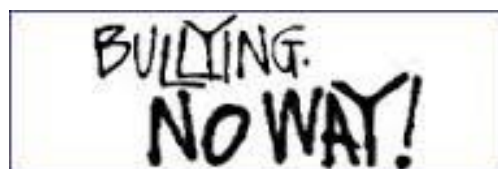

If you can spare some time from approx. 9am to 1.30pm or part there of she would love to hear from you. Even if you can only manage once a week, once a month or once a term she would be very grateful.

Please call the school on 6653 6201 to speak to her or drop by the canteen for more information.

Thanks in anticipation.
